PROSPECTUS

(Late) Haji Abdul Razzak E. Kalsekar: A TRUE VISIONARY

**Philanthropist & Pillar of Strength for
Anjuman-I-Islam's Kalsekar Technical Campus, New Panvel**

(16 July 1931 - 10 August 2015)

Haji Abdul Razzak Esmail Kalsekar, fondly remembered as 'Haji Saheb' was a true idealistic visionary. His Clarion call to society "Quality Education is Mandatory for All" truly reflected his purity of thoughts.

His dedicated efforts to empower and enrich the society were based on the strong belief that Education is the pillar of any healthy society and only through Education can we eliminate the evils of poverty and disparity and build an equitable society. He was a man who didn't believe in just giving charity to the needy, instead he empowered them strengthen hands through EDUCATION, so that they can earn with dignity and serve the society.

***"You carried us in your arms, cradled us in your heart.
You are now with the Protector,
You will always remain in our Prayers."***

***Lives of Great men all remind us We can make our lives sublime,
And departing, leave behind us, Footprints in the sands of Time.***

***You came into our lives, And left footprints in our hearts.
And we will never, ever be the same.
A humble tribute in gratitude,***

**Celebrates
Successful Journey of**

From humble beginnings, Anjuman-I-Islam has flowered into singular institution, unsurpassed in its efforts to spread education to the marginalized sections of the society. Anjuman-I-Islam has over a period of time, since its inception, grown by leaps and bounds, continuing to give quality education to its students. Today it runs 97 institutions and at a time approximately one lakh ten thousand students derive benefits from the education imparted by these institutions. It has about more than 3500 teaching and administrative staff who make these efforts a successful. Anjuman-I-Islam is leading educational conglomerate and social organization of India, established in the year 1874, by a group of visionaries led by Justice Badruddin Tyabji. Its first heritage structure came on the piece of land donated by Mr. Mohammed Ali Roghay. The Founders of Anjuman-I-Islam proactively participated in India's freedom struggle and established Anjuman-I-Islam as a symbol of Secularism and National Integration. It was also the beginning of a movement to support community's advancement in education and social standing. Today, after 150 years, Anjuman-I-Islam Trust runs under the dynamic leadership of Dr. Zahir I. Kazi (Padma Awardee). He is a radiologist by profession. Anjuman-I-Islam has numerous Institutions from K.G (kinder garden) to diploma in Engineering, graduation and post-graduation in Engineering, Pharmacy, Architecture, Unani Medicine, Law, Arts, Commerce, Economics, Hotel Management and Catering, Management Studies, Home Science and Ph.D. in Engineering and Urdu across the state of Maharashtra in various cities like, Mumbai, Navi Mumbai, Raigad, Pune, Solapur, Panchgani etc.

Over the years, many national and International eminent personalities visited Anjuman-I-Islam and applauded its Secular Credentials in National Integration.

KUDOS TO ACHIEVERS

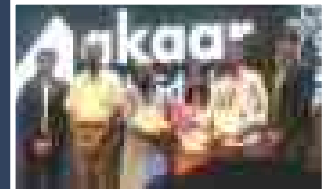

1st prize (Gold Medal) won by Yadav Snehlata Rajnish Prasad in Inter Collegiate Athletic Meet 2024-25 Mumbai City Zone (Women)-Hammer Throw organized by University of Mumbai

1st Prize won by Mr. Baseem Dabholkar in the project competition at TECHASTRA 2.0 organised by CSM University, Panvel on 3-4 March 2025. Also AIKTC was honored with Best College Award

1st position IIT Bombay in Bridge It competition at Civil Engineering festival - AAKAAR 17th Edition

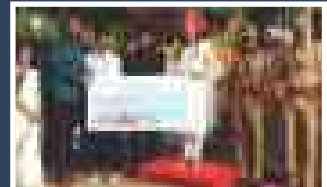

1st position at IIT Bombay in Poster Presentation at Asia's largest Civil Engineering festival - AAKAAR 17th Edition

1st place secured by Bronkar Basheer in Inter-Collegiate event Hackventure organized by Burhani College, Mumbai

1st Prize won by Shadulla Shaikh, Mavia Ansari & Sameer Shah in AI-Codex Hackathon 2024 organized by MHSSCOE and sponsored by USA-based MNC AI-XPLAIN

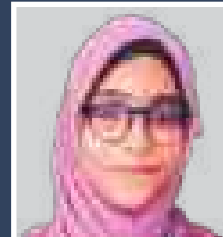

Award by the Hand of Ms. Aditi Tatkare, the Hon. Minister of Women and Child Development, Government of Maharashtra

Best Fielder Award received by Ms. Anam Khan in Nari Shakti Chashak 2024

2nd Runner-up position secured by Mr. Zaid Qureshi in the Kamu Iyer Design Competition (KIDC) 2024-25

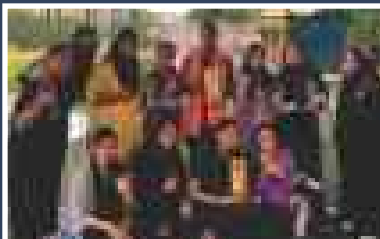

2nd Rank secured by Sumayya Khan in National Level Pharmacology Quiz 2.0 Competition

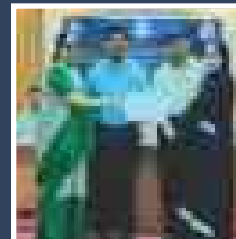

2nd Prize won by Mr. Baseem Dabholkar in the Project Competition at SNKTTCC

1st runner-up position secured by Shaikh Nabil Ahmed in Hackathon organized by CSMU, Panvel

3rd Prize won in Naari Shakti Chashak 2024 (Women Box Cricket Tournament) organized by HRPF

3rd Position with cash prize Rs.15,000 received by Ms. Anam Khan in Project Competition Avishkar 2025 held at FCRI

6th position in Inter Collegiate Volleyball Tournament (Women) organized by University of Mumbai

ALL PROGRESS TAKES PLACE OUTSIDE THE COMFORT ZONE!

Dear Aspiring Student,

Welcome to Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC), a symbol of academic excellence and inclusive education in Navi Mumbai.

AIKTC was founded through the visionary efforts of Anjuman-I-Islam, Mumbai — a historic institution serving the nation since 1874. With more than 100 institutions and more than 1.1 lakh students, Anjuman continues its mission of empowering the underprivileged through quality and affordable education.

Though a minority institution, Anjuman has always upheld the values of secularism and national integration. Its contribution to education and society has been nationally recognized, including the prestigious **“Sir Syed Excellence Award”** by Aligarh Muslim University. We also proudly operate our first global chapter — **Overseas Friends of Anjuman (OFA)** in the USA — to foster international collaboration.

At AIKTC, we offer you world-class infrastructure, experienced faculty and an ecosystem that nurtures innovation, creativity and professional growth. The campus is NAAC-accredited, ISO 9001:2015 certified, and supports all eligible government scholarships and financial aid schemes.

If you aspire to be a change-maker, this is your moment. Join us — and shape the future.

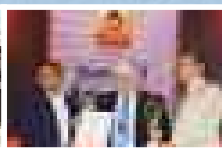

Warm regards,

DR. ZAHIR I. KAZI

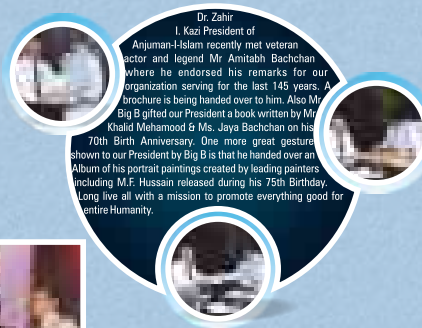

President, Anjuman-I-Islam, Mumbai
(Padma Awardee-2024)

Dr. Zahir I. Kazi, Hon. President AI, had the honour of meeting with our Dynamic Prime Minister, Shree Narendra Modi.

Dr. Zahir I. Kazi, Hon. President received the National Education Award at an event organized by ABP News at Taj Lands End

Dr. Zahir I. Kazi President of Anjuman-I-Islam recently met veteran actor and legend Mr. Amitabh Bachchan where he endorsed his remarks for our organization serving for the last 145 years. A brochure is being handed over to him. Also Mr. Big B gifted our President a book written by Mr. Khalid Mehamood & Ms. Jaya Bachchan on his 70th Birth Anniversary. One more great gesture shown to our President by Big B is that he handed over an Album of his portrait paintings created by leading painters including M.F. Hussain released during his 76th Birthday. Long live all with a mission to promote everything good for entire Humanity.

DREAM AND MANIFEST!

Dear Student,

Congratulations on reaching this important milestone in your academic journey! Your dedication and focus have brought you to the doorstep of higher education, and we're delighted to welcome you to Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC).

This opportunity is made possible by the unwavering efforts of institutions like Anjuman-I-Islam, which has been providing affordable quality education for over 150 years. My father, the Late Haji Abdul Razaq Kalsekar Sahab, believed that educating someone is the noblest act - one whose impact lasts a lifetime.

Among the many institutions under Anjuman, AIKTC stands out for its commitment to advanced technical education. With **NAAC accreditation, ISO 9001:2015 certification**, and preparation for the **NBA**, the campus continues to evolve and grow.

I encourage you to dream big, take bold steps, and turn your aspirations into achievements. A right decision at the right time can transform your future.

May the Almighty bless you with success and guide your journey ahead.

SALIM ABDUL RAZZAK KALSEKAR

Chairman,
A.E. Kalsekar Education & Welfare Trust,
Mumbai.

ESCAPE THE ORDINARY!

Dear Student,

A warm welcome to Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC) — one of the most distinguished institutions under Anjuman-I-Islam.

Since its inception, AIKTC has remained committed to delivering quality technical education through honest efforts and a strong academic culture. We continuously upgrade our teaching methods — both online and offline — to stay in sync with industry trends. Even during the pandemic, we ensured uninterrupted learning through virtual classes and online labs.

Our campus is NAAC accredited, ISO 9001:2015 certified, and actively working towards NBA accreditation to enhance research and academic excellence.

At AIKTC, we help students grow in knowledge, skills, and character. By the time you graduate, you'll be ready to take on real-world challenges with confidence and competence.

Wishing you a fulfilling academic journey and an inspiring time on our campus.

"With You... Till You Do Not Need Us — In Any Way."

Mr. Burhan Harris,
Hon. Executive Chairman,
Board of Institutions in
Navi Mumbai, A.I.

DIRECTOR'S MESSAGE-AIKTC

Involve yourself to evolve excellence

It is with great pride and joy that we celebrate 14 years of innovation, leadership, and learning at Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC).

Since 2011, AIKTC has been a pioneer in offering multidisciplinary technical education in Architecture, Engineering, and Pharmacy, aligned with the vision of NEP 2020. Our integrated campus fosters inclusivity and prepares students to meet global challenges with confidence.

With state-of-the-art infrastructure and hands-on learning, students gain practical exposure through advanced tools, machines, and virtual labs. Our faculty go beyond conventional teaching, using modern methods like Outcome-Based Education (OBE), Project-Based Learning (PBL), Blended and Flipped Classrooms, and more — all aimed at building problem-solving, creativity, and collaboration skills.

We are proud of our students who, through the AIKTC Incubation Centre, start their entrepreneurial journeys even before graduation. Our global collaborations with institutions like MIT-USA and the University of Westminster further enrich

student experience.

At AIKTC, we strive to develop academically strong, socially responsible, and industry-ready professionals, grounded in Universal Human Values and a positive mindset.

We invite you to become a part of the AIKTC community — where excellence is a journey, and the future is yours to shape.

DR. RAMJAN A. KHATIK

Director, AIKTC, New Panvel

DEAN'S MESSAGE - AIKTC'S SCHOOL OF ENGINEERING AND TECHNOLOGY

As the Dean of the School of Engineering and Technology (SoET), I am proud to share that our institute is equipped with state-of-the-art infrastructure and modern laboratories. Our highly qualified faculty come from diverse fields and bring with them decades of teaching and industry experience. We are committed to maintaining a tradition of academic excellence along with the overall personality development of our students.

The true purpose of education is to help students develop critical thinking and logical reasoning skills. We achieve this by offering a strong academic environment where learning is interactive, not just one-way communication. Our faculty work hard to use innovative teaching methods such as Outcome Based Education (OBE), Activity Based Learning (ABL), Project Based Learning (PBL), Blended Learning, and Flipped Classroom Techniques.

The Institute had a collaboration with one of the world's top universities, the Massachusetts Institute of Technology (MIT), Boston, USA. This collaboration helps our faculty and students learn about the best practices in engineering education.

We at our institute conduct MIT-inspired add-on cum preparatory courses like statistics and Data Science for higher semester as well as project-based Technoscope courses for first-year students.

Our constant aim is to equip students with both technical and managerial skills, so they can contribute effectively to industry and society. Let us aim high, explore the depths of knowledge, and reach new heights through innovation. This journey will inspire a positive and proactive mindset.

To support our students' growth, we organize training programs focused on life skills, communication, and technical abilities. We also encourage active participation in seminars, workshops, conferences, value-added courses, in-plant training, and industrial projects.

I wish you a joyful and academically rewarding journey at SoET. I hope you will carry forward the pride and values of this esteemed institution. I warmly invite all students to visit our campus and experience its energy, diversity, and welcoming spirit.

DR. RAJENDRA B. MAGAR

Dean-School of Engineering & Technology,
AIKTC, New Panvel

DEAN'S MESSAGE - AIKTC'S SCHOOL OF PHARMACY

Greetings!!!

Healthcare and the profession of Pharmacy is constantly evolving globally. Pharmacists are playing a significant role in general health care, by contributing to greater life expectancy and better quality of life. The responsibility of a pharmacist therefore increases dramatically as there is an exponential increase in disease burden on society.

At AIKTC School of Pharmacy, we believe in producing multifaceted health care professionals with a strong commitment and deep desire to contribute to society. Established in the year 2011, the institute is being nurtured with utmost care by the team of dedicated faculty members and supporting staff with a vision to reach new heights in educational achievement. Our dedicated faculty helps and inspire students to achieve their goals

I invite you to be a part of this school of excellence to achieve a landmark in pharmacy education.

DR. SHARIQ SYED

Dean-School of Pharmacy,
AIKTC, New Panvel

DEAN'S MESSAGE - AIKTC'S SCHOOL OF ARCHITECTURE

Greetings!!!

What is architecture? is a question particularly asked by students who are looking for architecture as their future career. For me architecture is about happiness. The happiness of creation. that comes from within. A commitment to yourself to make somebody happy through our own creativity. Creativity is a science, that extracts realism from abstraction. Abstractions take place when one wants to express the process of thinking and interpretation of the contextual background. Architecture thus, is that science which bridges the gap between abstraction and reality through creative critical mind mapping. It is a science that turns imagination into design elements that caters to the future. Understanding culture, nature and the contextual background which can be expressed through different ideas of built forms is what is taught to students by our enthusiastic faculty at the School of Architecture. Here at SoA we

inculcate a positive attitude, a sense of responsibility towards mankind and nature and respect for our tradition and culture in the students through our collaborative teaching methodology. Our students are our biggest assets and we nurture them with great care and work constantly towards their futuristic goals through our best possible teaching abilities. We try and promote a school of thoughts that enables the students to face all the challenges, ethically research and become creative thinkers for inventing sensitive designs. Architecture thus becomes the most interesting career option which works through a process leading towards the reality at AIKTC, School of Architecture.

Come join us for a life changing fun based learning experience of design and creativity!

PROF. RAJ MHATRE

PROGRAMS OFFERED BY AIKTC

SCHOOL OF ENGINEERING & TECHNOLOGY

(DTE Code: EN 3439)

B.Tech.

- Civil Engineering
- Computer Engineering
- Computer Science & Engineering (AIML)
- Computer Science and Engineering (Data Science)
- Electrical & Computer Engineering
- Electronics and Computer Science
- Mechanical Engineering

Eligibility (First Year):

H.S.C. in PCM / B or equivalent with at least 45%* marks & Non-Zero MHT-CET / Non-Zero Positive JEE MAIN score.
OR Diploma in Engineering & Technology with at least 45%* marks.

Eligibility (Direct Second Year):

Passed Diploma in Engineering & Technology / B.Sc. Degree / D.Voc. with at least 45%* marks.

M.Tech.

- Construction Engineering & Management
- Structural Engineering
- Computer Engineering

Eligibility:

B.E. in relevant field with at least 50%** marks & obtained score in GATE.

Research Centre for Ph.D. in Civil Engineering

SCHOOL OF ARCHITECTURE

(DTE Code: AR 3439 CoA Code: MH 55)

D. Arch.

Eligibility:

S.S.C or its Equivalent

B. Arch.

Eligibility:

H.S.C. in PCM / Diploma with Mathematics & Qualifying score in NATA.

SCHOOL OF PHARMACY

(DTE Code: PH 3439)

D. Pharm.

Eligibility: H.S.C. with PCB / M or equivalent examination

B. Pharm. (First Year)

Eligibility: H.S.C. in PCB / M or equivalent examination with at least 45%* marks & Non-Zero MHT-CET / Non-Zero Positive NEET Score

B. Pharm. (Direct Second Year)

Eligibility: Passed Diploma in Pharmacy with at least 45%* marks.

M. Pharm. Pharmacology

Eligibility: B.Pharm with at least 55%*** marks & Non-Zero Positive GPAT Score.

BACHELOR OF SCIENCE INFORMATION TECHNOLOGY

Eligibility: H.S.C. (XII Std.) with Mathematics & Statistics.

40% marks, **45% marks, *50% marks incase of BCC, EWS & PwD candidates belonging to Maharashtra State
Eligibility criteria of admission to all courses may change as per competent authority.*

AIKTC

SCHOOL OF ENGINEERING & TECHNOLOGY

(An Autonomous Institute)

Affiliated to University of Mumbai

About the Programme:

The School of Engineering and Technology offers multidisciplinary, demand-driven courses that comply with NEP 2020 and address industrial needs. The institute hosts over 50 startups in its incubation center and continuously participates in national and international innovation competitions. We prepare stakeholders to tackle challenges and provide solutions for both industry and society at large. The institute also has a research center to promote a research culture. We have implemented the Outcome-Based Education (OBE) philosophy to inculcate graduate attributes in students and ensure their attainment. AIKTC SoET offers seven Undergraduate, two Postgraduate and one Ph.D program.

DTE Code: EN3439

B.Tech

Duration: 4 Years

Intake: 510

(STRUCTURAL ENGINEERING)

Duration : 2 years

Ph.D.

The Department of Civil Engineering boasts state-of-the-art facilities as well as highly experienced, well-qualified, and proactive faculty members. It has 9 laboratories, well equipped with modern machinery, equipment, and instruments necessary for testing, research, and development. Our students participate in various co-curricular and extra-curricular competitions at various premier institutions, and their work is always appreciated. We have Postgraduate (PG) programme in Construction Engineering & Management as well as PhD research centre in Civil Engineering. Our PG and PhD students have set benchmarks by completing their courses within the stipulated duration and receiving accolades from the external examiners.

Vision

To be the most sought after academic, research and practice based department of Civil Engineering that others would wish to emulate.

Mission

Creating Exuberant Civil Engineering Professionals.

COMPUTER ENGINEERING

Duration : 4 years

B.SC. - INFORMATION TECHNOLOGY

Duration : 3 years

Computer Engineering is a huge spectrum having various domains like Computer Programming, Information Analysis and Prediction, Networking and Data Security, Internet and World Wide Web, Software Programming, Design and Development, etc. The world is advancing today at a rapid speed due to the use of computers in all fields of education, research, design and development. Programmers Club (By the students and For the students) is a worthy initiative providing guided freedom to our students for their creative expression. Young, enthusiastic, energetic and responsible faculty, staff and the state-of-art infrastructure are the key assets here.

Vision

To be the most sought after academic, research and practice based department of Computer Engineering that others would wish to emulate.

Mission

Creating Exuberant Computer Engineering Professionals.

Computer Engg.

The Computer Engineering Department at AIKTC is a matter of deep pride and gratitude for me. My time at the college was truly transformative, filled with learning, growth, challenges, and memories that I'll cherish forever. It wasn't just about lectures and labs; it was about the incredible mentorship from our faculty, the collaborative spirit among peers, and the constant encouragement to think beyond textbooks. Those formative years laid a solid foundation for both my professional journey and personal development. No matter where life takes me, a part of AIKTC will always stay with me.

COMPUTER SCIENCE & ENGINEERING (AIML)

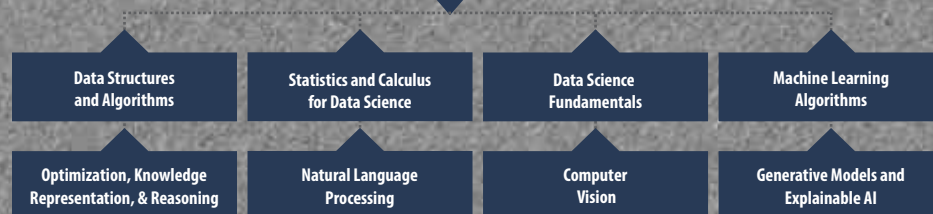

Duration : 4 years

The CSE-AIML program effectively implements the Outcome-Based Education (OBE) model, ensuring that students gain a robust academic foundation paired with hands-on technical expertise that extends beyond traditional syllabi. By engaging in project-based learning, workshops, coding competitions, and internships, students are exposed to real-world problem-solving scenarios. The department is equipped with state-of-the-art laboratories, high-performance computing systems, and the latest AI/ML software tools, facilitating cutting-edge research and learning. Furthermore, students are encouraged to participate in intercollegiate events, hackathons, and AI innovation challenges, fostering practical experience and collaboration. The department actively works to build strong academic-industry linkages, supported by a team of young, dedicated, and qualified faculty members. With its focus on innovation and excellence, the department aspires to be a leading center for AI and Machine Learning education and research.

COMPUTER SCIENCE & ENGINEERING (DATA SCIENCE)

Duration : 4 years

In today's rapidly evolving digital world, data has become the cornerstone of innovation, driving advancements across industries and reshaping the way we understand the world. Department of Computer Science and Engineering (Data Science) stands at the forefront of innovation, bridging the disciplines of computer science and data science to address the challenges of a rapidly evolving digital world.

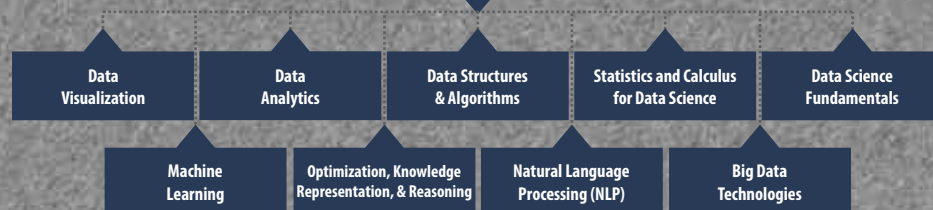

The curriculum represents a blend of foundational principles of computer science with specialized data science skills. The department continuously strives to provide a strong foundation in computational thinking, data analytics, machine learning, and data visualization complemented by hands-on experience with cutting-edge tools and technologies.

The department takes pride in its team of qualified, experienced, and committed faculty members. As the demand for data-driven solutions continues to grow, we are dedicated to equipping our students with the skills and knowledge to harness the power of data for transformative impact. The department is dedicated to creating a strong platform for students to reach their career aspirations.

ELECTRICAL & COMPUTER ENGINEERING (Erstwhile Electrical Engineering)

Duration : 4 years

The Department of Electrical & Computer Engineering (ECE) at Anjuman-I-Islam's Kalsekar Technical Campus offers a dynamic environment focused on excellence in undergraduate education and research. With a strong foundation in both theory and practical application, the department prepares students to tackle complex engineering challenges and contribute to technological advancement.

Modern, well-equipped laboratories support hands-on learning and cutting-edge research across diverse areas such as Power System Restructuring and Reforms, Electric Vehicles, Embedded Systems and IoT, Smart Grids, Renewable Energy, Control Systems, and Artificial Intelligence. These labs foster innovation, encouraging student involvement in industry projects, research initiatives, and national competitions.

The department is led by experienced senior faculty with expertise in key domains like Power Systems, Internet of Things, and Computational Intelligence. Their active collaboration with academic and industry partners—both nationally and internationally—ensures a rich, multidisciplinary learning experience. Through mentorship and research, students are guided in developing critical thinking, technical skills, and professional growth.

Vision

To be the most sought after academic, research and practice based department of Electrical & Computer Engineering that others would wish to emulate.

ELECTRONICS & COMPUTER SCIENCE (Erstwhile Electronics & Telecommunication Engineering)

Duration : 4 years

The Department of Electronics and Computer Science, established in the academic year 2020-21, addresses the needs of the Fourth Industrial Revolution. The program integrates electronics, computer science, and communication engineering, with a focus on hardware design, programming techniques, telecommunication engineering, and software development. It equips students to solve real-world problems in design, computation, and control. Graduates are in high demand across global industries, particularly in areas like smartphones, embedded systems, and software engineering. They possess skills in developing smart systems and applications using technologies such as IoT, Data Science, and Machine Learning.

Vision

HUMANITIES & APPLIED SCIENCES

The department of Humanities and Applied Sciences (HAS) handles First Year of Engineering academics dealing with courses like Engineering Mathematics, Physics, Chemistry, Communication Skills, Universal Human Values and Indian Knowledge System. Along with the First Year, it also caters to higher-semesters subjects like Statistical Mathematics, Professional Communication & Ethics, etc. The ebullient and lively HAS team nurtures students of First, Second & Third year Engineering programs of AIKTC, by mentoring them, offering timely guidance and remedial teaching. Through the mentoring mechanism, HAS keeps track of slow learners and provides them with additional coaching.

The departmental laboratories like Physics lab, Chemistry lab and Language lab are fully equipped with the required number of experimental setups. The knowledge walls, handouts, teaching plan and examination-related guidelines are available in all the labs showcasing our student-centric approach.

Master of PHARMACY IN PHARMACOLOGY

DTE Code : 0343982110

Duration: 2 years

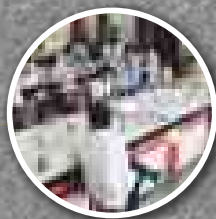

About the Programme:

A Pharmacist is an essential part of the pharmaceutical and health care industry and plays an important role not only in providing patients with the best possible health care but also health care products. A Bachelor of Pharmacy Degree leads to registration as a 'Pharmacist' by the Pharmacy council of India. The 8 semester (4 Years) under graduate programme equips a graduate with an ability to get on the fast track in one of the most dynamic industries in health care as Pharmaceutical Scientist with an extensive role: From Discovery to Delivery, The career puts you on the front line of patient care and offers opportunities for professional growth, exceptional financial rewards and opportunity to help people.

SoP Mission Elements

- To implement the Outcome Based Education (OBE) model to conform to our belief “Students Learn What We Teach”.
- To encourage and upgrade teachers for innovative teaching skills, research and practice in Pharmacy.
- To provide necessary facility, machinery, equipment, atmosphere and ambience that would enable quality academics, research and practice in Pharmacy.
- To create an eco-system for professional competition and reward mechanism.
- To prepare and encourage students for direction and career of their choice. Be it higher studies, entrepreneurship, employment, research and innovations.

SoP Programme Educational Objectives

- Build upon **comprehensive knowledge** of pharmaceutical sciences.
- Be **significant contributory pharmaceutical professionals** in pharmaceutical and allied sectors.
- Emerge/Act as **social responsible & ethically strong professionals**.
- Be **emotionally intelligent contributory members** of society.

SoP Vision

To be the most sought after academic, research and practice based School of Pharmacy that others would wish to emulate.

SoP Mission

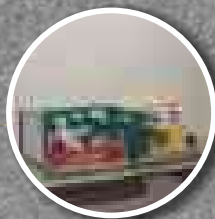

Creating Exuberant Pharmaceutical Professionals.

DIPLOMA IN PHARMACY (D.PHARM)

Duration : 2 years

The Diploma in Pharmacy program is a concise yet vital educational pathway, preparing students for pivotal roles within the pharmacy field. In our ever-changing healthcare environment, pharmacists are invaluable, serving millions of patients with medications each day. As integral contributors to the pharmaceutical and healthcare sectors, pharmacists not only prioritize patient well-being but also enhance access to crucial healthcare products.

Mission Elements

- To implement the Outcome Based Education (OBE) model in the department of diploma pharmacy to conform to our belief that Students Learn What We Teach.
- To encourage and upgrade teachers for innovative teaching skills, research and practice in the pharmacy.
- To provide necessary facilities, machinery, equipment, atmosphere and ambiance that would enable quality academic research and practice in Pharmacy.
- To create an ecosystem for professional competition, lifelong learning and reward mechanisms.
- To prepare and encourage students for the direction and carrier of their choice. Be it higher studies, entrepreneurship, employment, research and innovations.

Program Education Objectives

- Develop a comprehensive understanding of pharmaceutical sciences to serve as a responsible and professional pharmacist.
- Exhibit effective leadership and communication skills, utilizing modern tools to contribute meaningfully to society.
- Strive to become socially responsible and ethically strong professionals with a commitment to sustainable development and an entrepreneurial mindset.
- Show proficiency in staying updated on emerging trends and technologies, effectively applying this knowledge within their professional domains.

Vision

To be the most sought after academic, research and practice-based department of diploma pharmacy that others would wish to emulate.

Mission

Creating exuberant pharmaceutical professionals.

Prof. Abdul Majid Ansari Head of Incubation Centre

BUSINESS INCUBATION CENTER

Key Highlights:

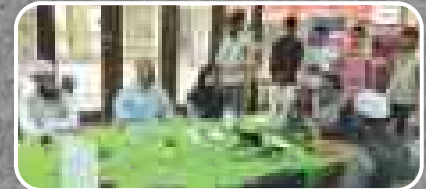

- A total of **67 startup ideas** incubated across **8+ diverse domains**, with **13 successfully registered**.
- **Funding of ₹86+ lakhs** secured across **15 startups**, with an overall **valuation exceeding ₹2 crores**.
- **80 students and alumni** offered **paid internships** through the **Government of Maharashtra**, with **₹18+ lakhs** disbursed via Direct Benefit Transfer (DBT).
- Recognized as **Chanakya Training Partner** with **₹14+ lakhs** in support.
- **4 startups** emerged as **winners of the District-Level Student Innovation Challenge** under the Government of Maharashtra, each **awarded ₹1 lakh**.
- Collaborated with **Equinox Labs** for NABL-certified testing and product validation.

Activities:

- **4 startups** were invited to participate in **Startup Mahakumbh 2024**, India's largest startup exhibition, **inaugurated by Hon'ble Prime Minister Shri Narendra Modi**.
- **11 startups** showcased innovations at **Makers Mela** - Asia's largest makers exhibition—held in **Mumbai, Bangalore, and Calicut expo, CIIA 2025**.
- Startups were invited to **TIECON Mumbai 2025** (hosted by Hon'ble CM **Mr. Devendra Fadnavis**) as **delegates** and to the **Rojgar Mela** as **guest** organized by **Taloja Industrial Association** under **MSINS**.
- Ongoing **research-based food product development** has been initiated to support innovation in the nutraceutical and agro-based sectors.
- Strategic collaborations established with:
 - ▶ **District Skill, Employment & Entrepreneurship Guidance Center**
 - ▶ **CIIA, Lions Leo Club, and Connect Souq** (a global network connecting **15,000+ entrepreneurs across 49+ countries**)
 - ▶ **Aetmaad Nutraceuticals LLP** for food manufacturing and scaling
- Hosted expert sessions by renowned figures:
 - ▶ **Mr. Mateen Sayed**, Silicon Valley mentor and TIECON Silicon Valley
 - ▶ **Mr. Venkatesh Iyer**, Founder of Goli Vada Pav (valued at ₹350+ crores)
 - ▶ **Mr. Abdullah Hasan Thakur**, Founder of a Kuwait-based VC firm
 - ▶ **Mr. Salman Butt**, Saudi citizen and Billions Dollar owner
- Conducted **35+ sessions on entrepreneurship**, fostering a robust innovation culture among students and alumni.

Services:

- **Infrastructure:** Office Space, Electricity, Internet and Lab access etc.
- **Mentorship:** Business Formation, Registration, Licenses, Legal Advice support, Export Facilities etc.
- **Finance:** Investor, Angel Investor and VC Connect etc.
- **Networking:** Industry Connect, Visits, Expo and Exhibition etc.

Ayaadat Foundation invested ₹10 lakhs in 6 promising startups.

Mr. Mateen Sayyed guided and mentored student innovators. Mr. Venkatesh Iyer shared entrepreneurial insights and success strategies.

TEDx initiative organized by LEO Kalsekar Lions Club

AgriBid reached a valuation of \$132 million. A notable interaction was held with Ms. Rinku Agarwal, who has successfully facilitated fundraising of over ₹5,000 crores

SCHOOL OF ARCHITECTURE

About Bachelor of Architecture:

Architecture is the art and science of designing buildings and structures. It's a journey which requires Creativity, Passion, Confidence, Imagination, Good Communication, Drawing and Sketching skills. It includes within its scope the design of any built environment, structure or object, from Town Planning, Urban Design, Landscape Design to Furniture Design. The objective of the course is to nurture Young Professionals who are sensitive designers with sound technical knowledge to address societal concerns. This 5-year course is divided into two parts: one is the Basic Course (1st to 3rd year) and the other is Advanced Course (4th and 5th year). The First three years are more of self-exploration, interaction with small communities to understand their needs and Design for them. In the Advanced Course, the focus is to understand larger communities and masses to be able to design at the Urban / City level. Finally, one can say that Architecture is a very broad and humanistic field which demands you to be sensitive towards arts, aesthetics and possess sound knowledge in the fields of Engineering, Logistics and Ergonomics.

About Diploma in Architecture:

The Diploma in Architecture is a professional programme focused on introducing students to the fundamental aspects of architectural design and construction. It is an ideal platform for those aspiring to enter the architecture and construction industry at a technical and practical level.

The D.Arch course equips students with essential knowledge and skills required for designing simple structures, understanding construction methods, materials, and technical drawings. It emphasizes developing creativity, technical precision, and a practical understanding of architectural principles.

This 3-year diploma programme provides a strong foundation in the design of small-scale buildings, basic urban planning concepts, furniture design, and building components. The course is designed to nurture young minds to become technically sound and practically oriented professionals ready to contribute to the built environment.

KHOT SHARABIL SIMAB

Principal Architect BIN KHOT ARCHITECTS

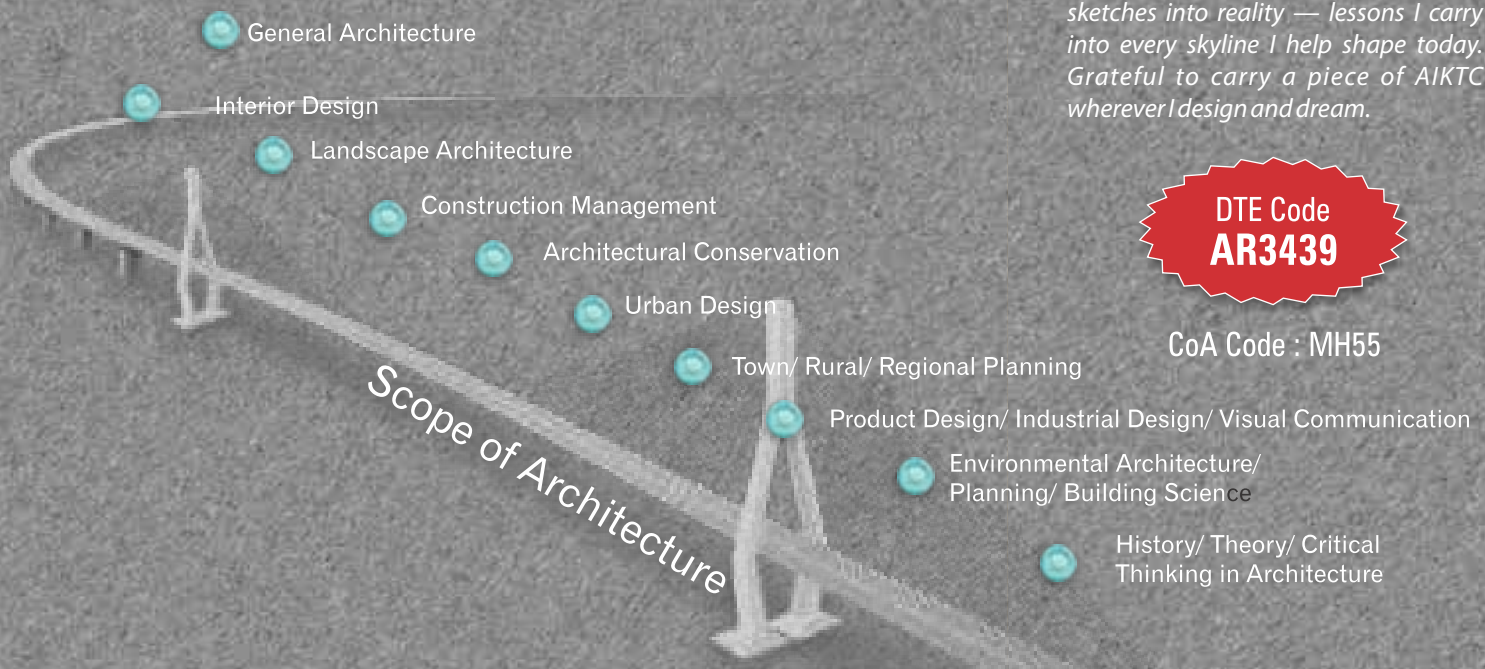

My five years at Anjuman-I-Islam Kalsekar Technical Campus laid the strongest foundation for who I am today as an architect. It was a place that turned ideas into real skills and dreams into direction. The ideas sparked there, the mentors who pushed my limits, and the countless late nights turned my sketches into reality — lessons I carry into every skyline I help shape today. Grateful to carry a piece of AIKTC wherever I design and dream.

SoA Vision

To be the most sought after academic, research and practice based school of Architecture that others would wish to emulate.

SoA Mission

Creating Exuberant Architectural Professionals.

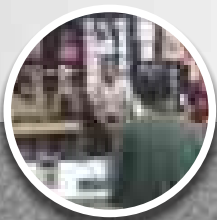

**DTE Code
AR3439**

Jamming and Reading Session

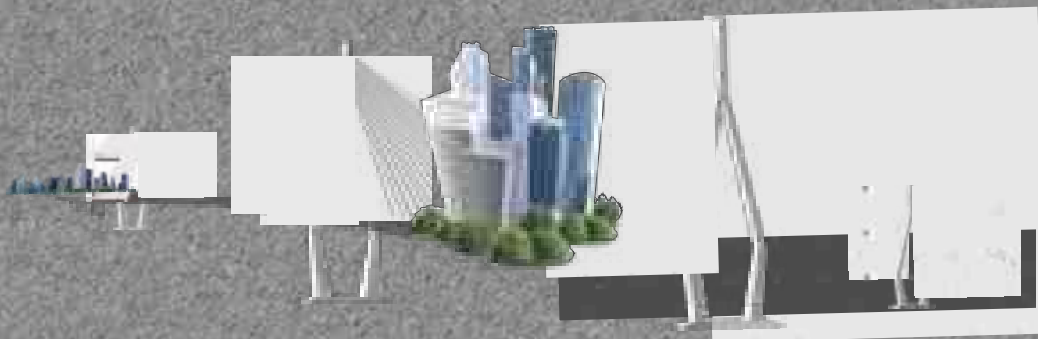

Bozzo Art Workshop

Tensegrity Furniture Workshop

SoA Mission Elements

- To train professionals with competency to conceptualize, plan, design and detail, Built Environment and Spaces for human habitation for all present uses and functions of the society.
- To foster an understanding of Private, Semi Public, realms, to be able to recognize their differing needs and providing solutions within the socio-economic, legal and ethical frame work.
- To train designers to meet the New Environmental challenges for sustainable lifestyles.
- To create a sound base in architectural technologies.
- To foster creativity and lateral thinking (between different fields of design) to be able to provide appropriate design solutions.
- To inculcate a sound base of architectural theory and history to create a comprehensive awareness about Architecture asa Descipline.
- To understand its relationships with other branches of knowledge such as liberal arts, sociology, economics and science.

AIKTC School of Architecture: Events, Seminars & Workshops

Karyashala on "Engendering Cities": As part of the Urban Elective for Final Year students, a two-day Karyashala (Workshop) titled "Engendering Cities" was conducted on 24th and 25th June 2024. The workshop was facilitated by esteemed resource persons Ms. Prachi Merchant and Ms. Snehal Velkar, focusing on inclusive urban development.

Film Making Workshop by Film Club: The Film Club organized a Film Making Workshop on 14th August 2024, featuring an engaging presentation and talk on the filmmaking process by renowned Film Editor Mr. Aasif Pathan. The session offered valuable insights into the art and craft of film editing and production.

Kolloquy: An Internship Seminar session was conducted on 5th August 2024, providing a platform for students to share and reflect on their internship experiences.

Art Club Inauguration: The AIKTC School of Architecture (SoA) launched its Art Club with an inaugural exhibition held from 22nd to 30th August 2024, showcasing a vibrant collection of sketches and paintings by students and faculty, celebrating the school's artistic talent.

Parents-Teachers Meet & Felicitation Program 2024: The School of Architecture organized the Parents-Teachers Meet & Felicitation Program on 7th August 2024 to foster meaningful parent-faculty interaction and to celebrate student achievements through a felicitation ceremony.

Literature and Music Club – Jamming Session: The AIKTC Literature and Music Club conducted a vibrant Jamming Session on 28th August 2024, providing a creative platform for students to showcase their musical and literary talents.

KRRC Faculty Katta – School of Architecture: The KRRC Faculty Katta for the School of Architecture was organized on 8th August 2024, facilitated by Mr. Kamlesh Gade and Ms. Shaheen Momin, fostering academic dialogue and faculty engagement.

Professional Practice Visit – UASPL, Belapur: A professional practice visit to UASPL, Belapur was conducted on 31st August 2024, offering students practical exposure to architectural practice and firm operations.

Theatre and Fashion Club – Styling & Professional Dressing Session: On 4th October 2024, the Theatre and Fashion Club organized a presentation and talk on Styling and Professional Dressing for Architecture students. The session, conducted by Ms. Ankita Das Gupta, offered valuable insights on grooming and the significance of professional attire in the architectural field.

Art Club – Tie & Dye Workshop: The Art Club conducted a creative Tie & Dye Workshop on 5th September 2024, allowing students to explore fabric art and express their creativity through hands-on design techniques.

First Year Induction Program 2024: The First Year Induction Program was held from 19th to 20th September 2024 to welcome newly admitted students and help them acclimate to the

campus, academic framework, and peer community. Interactive sessions, a Treasure Hunt, and a creative Ciporex Model Making activity were conducted to promote teamwork, creativity, and problem-solving skills.

SMC Session on Coping with Exam Stress & Anxiety: The Student Mentoring & Counselling Cell (SMC) conducted a session on 30th September 2024 titled "Coping with Exam Stress & Anxiety", aimed at helping students manage academic pressure and maintain emotional well-being. A trained counsellor guided students through strategies like time management, relaxation techniques, and positive thinking.

SMC Session on Enhancing Interpersonal Skills: The Student Mentoring & Counselling Cell (SMC) organized a session on "Enhancing Interpersonal Skills" on 3rd October 2024, focusing on developing effective communication and interpersonal abilities essential for academic success and professional growth.

Study Tour to Bhuj and Ahmedabad – First Year B.Arch & D.Arch: A study tour for First Year B.Arch and D.Arch students was organized from 8th to 15th January 2025 to Bhuj and Ahmedabad, offering hands-on exposure to architectural heritage, traditional construction methods, and modern urban development in the region.

Karyashala – Academic Kickstarter to DD-1: As part of the Academic Kickstarter to DD-1 initiative, a Karyashala was organized on 28th June and 6th July 2024. The DD-1 Research Workshop, conducted by Ar. Jinu Kurien, aimed to guide final year students through the initial stages of their dissertation research process.

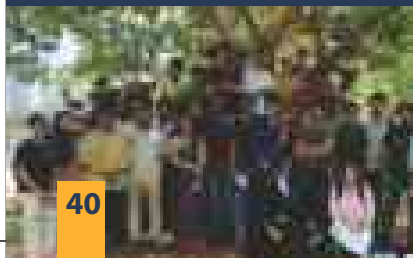

Karyashala – Academic Kickstarter to DD-2: As part of the Academic Kickstarter to DD-2 initiative, a Karyashala was conducted on 12th and 24th December 2024. The workshop, led by Ar. Jinu Kurien, supported final year students in formulating design strategies for their final design project.

Dawat-e-Iftar 2025: A blessed evening of togetherness and gratitude, Dawat-e-Iftar was successfully organized by the Council of Students (SoA & SoET) on 19th March 2025. The event brought students and faculty together in the true spirit of Ramadan, fostering unity, harmony, and cultural bonding on campus.

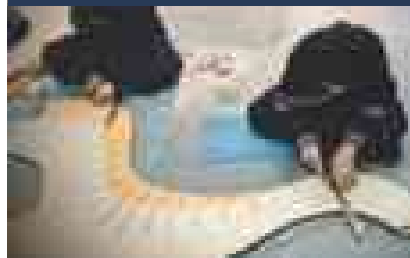

Kemu Iyer Design Competition 2024-25: The Kemu Iyer Design Competition was held on Saturday, 25th January 2025, with 14 participants from various colleges showcasing their creativity and design excellence in a competitive academic setting.

Karyashala – Engendering Cities: Driving Gender Inclusion for Better Cities: A two-day workshop titled "Engendering Cities: Driving Gender Inclusion for Better Cities" was organized under Karyashala for final year Architecture students as part of their Urban Electives. Held on 24th June 2025, the workshop featured an insightful introductory talk by Ms. Snehal Velkar (M.A. Social Work) and Ar. Prachi Merchant (Urban Planner), emphasized the importance of gender-inclusive urban design.

MASH-UP

Mash-Up is a week long event at AIKTC's School of Architecture. It is an event where 5 trophies are competed amongst the 5 years improving the skills in terms of students' Creativity, Festivity and Learning. It is a Combination of Skill, Talent, Technique, Sports, Array, Food and Fun. The class which wins the maximum trophies out of the five wins a master trophy called the TRIMASH. During the lockdown phase, this festival was scheduled online to see some amazing innovation and output from the winners.

NDLI

Achievement: Contributor of content to the National Digital Library of India (NDLI).

Membership of National Digital Library of India (NDLI):

- Platform of Large volumes of original and collated Educational material at one's fingertips.
- Availability of a wide range of Educational Resources from Primary to Postgraduate levels.
- Variety of Reference Materials for a subject spectrum of Science and Technology, the Arts and the Social Sciences, the Medical Sciences and Legal studies etc.
- Availability of diverse resources such as Books/Audio books; Lectures/Video Lectures/ Presentations/ Simulations/Lecture Notes; Question Papers and Solutions.
- Includes content of most Indian languages with a User Interface supporting the more widely used languages.

Vision

To become most sought after Central Library rich in academic and research based resources with ingenious practices that others would wish to emulate.

Mission

Facilitating Exuberant Learning
Through Knowledge Resources.

Training & Placement Cell

The Placement Office is responsible for campus placement at AIKTC. The placement officer, the departmental Placement co-ordinators and the student representatives handle various crucial tasks in the office like reaching out to companies, scheduling & executing placement related activities and carrying out all official communication with recruiters and with students. The Training and Placement Cell not only carries out the placement activities of the students but organizes various development activities that help in personality grooming and also gives them platforms to express themselves and enhance their soft skills. The team TPO endeavors to strike a match between recruiter expectations and student aspirations. The Placement Office is well-equipped with excellent infrastructure to support every stage of the placement process.

Activities of the Placement Cell :

- ☞ Soft Skills & Aptitude Training and other personality Development Programmes through Curriculum.
- ☞ Seminars, Special Lectures, Career Guidance Programmes and Entrepreneurship Development Programmes.
- ☞ Placed in Domestic and Multinational Companies through ON/OFF Campus Recruitment.
- ☞ Motivated and Assisted Students in Industrial Training and Industrial Visits.

Career Katta

(Career and Entrepreneurship Counseling, Skill Development, Internships, Placement, etc.)

Career Katta is an initiative of the Department of Higher and Technical Education, Govt of Maharashtra and in coordination with Maharashtra Information Technology Support Centre. The college conducts various activities to guide students about Career, Competitive Examination(UPSC, MPSC, Banking, SSB, SSC, Police, LIC, etc.), Entrepreneurship, Skill Development; Credit Earnings under new CBCS and NEP Curriculum Framework, Internship and Placement Opportunities, etc.

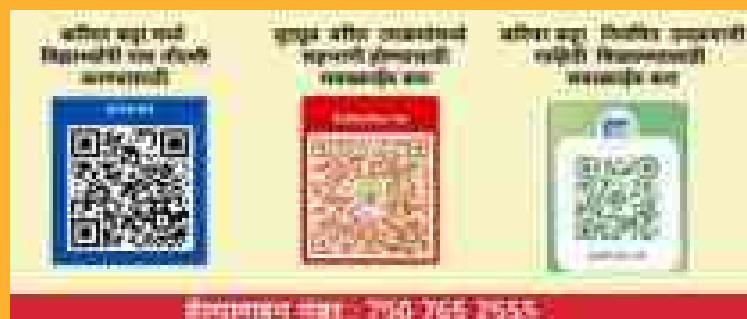

Eligibility to Join: Any student admitted for any regular course in the college or a college alumnus referred by College Coordinator.

Registration Fees: One-Time Rs. 365 for a Three-year degree period (Rs. 0.36 per day), which will be reimbursed in the form of a subsidy on examination charges of CBCS. It includes free access to all the activities, courses, State Level Competitive Exams, etc.

How to Register: Download the MITSC application from Google Play Store and pay fees using any online payment mode

College Code: Engineering-T1809, Pharmacy-T1810

Contact: For more details visit <https://aiktc.ac.in/events/career-katta/> or contact Coordinator 87962 73059/72086 13550 or Career Katta Helpline 75076 52555

REFUND OF FEES

(a) The Candidate shall apply online for cancellation and submit duly signed copy of system generated application for cancellation of admission to the Institution. Once the candidate submits and online request for cancellation, his admission shall be treated as cancelled. The Institute shall consider the online request made by the candidate for cancellation as final, irrespective of whether he has submitted a duly signed copy of system-generated application to the Institute. Upon such cancellation, the candidate shall lose the claim on the seat and such seat shall become available for further allotment. If the candidate cancels admission on or before the last day for cancellation of seats with full fees refund as specified by the Competent Authority, the Institute shall refund the entire fees to the candidate after deduction of rupees one thousand only towards processing charges and return all his original documents submitted to the Institute within two days from submission of duly signed copy of system-generated application to the Institute; (b) Candidate shall not be entitled to any refund of his/her fee except the Security Deposit and Caution Money Deposit if the online cancellation is effected by the candidate after the last day for cancellation of seats with full fee refund as specified by the Competent Authority. Link for online cancellation for admission shall be deactivated after cut-off date. Candidate has to apply for cancellation of admission to the Institute by applying to the Institute after the cut-off date.

Rules & Regulations

CONDITION OF MINIMUM ATTENDANCE:

The Students will not be allowed to appear for the examination if he/she does not attend a minimum of 75 percent of classes of theory, practical, drawing etc.

ACTION AGAINST RAGGING:

Maharashtra Prohibition of Ragging Act 1999 and Prevention and Prohibition of Ragging (Appendix 12 published in AICTE Approval Process Handbook (2011-12) and their amendments which may be published from time to time. The Maharashtra Prohibition of Ragging Act 1999, Which came into effect on 15th May, 1999 has the following provisions for Action against Ragging.

- a) Ragging within or outside of any educational institution is prohibited,
- b) Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and/or a penalty, which may extend to ten thousand rupees.
- c) Any student convicted of an offence of ragging shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of the order of such dismissal.
- d) Whenever any student or, as the case may be, the parent or guardian or a teacher of an educational institution complaints, in writing, of ragging to the head of the educational institution, the head of the educational institution shall, without prejudice to the foregoing provisions, within seven days of the receipt of the complaint, enquire into the matter mentioned in the complaint and if, prima facie, it is found true, suspend the student who is accused of the offence, and shall, immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated for further action. Where, on enquiry by the head of the educational institution, it is found that there is no substance, prima facie, in the complaint received; he/she shall intimate the fact, in writing, to the complainant. The decision of the head of the educational institute shall be final.
- e) If the Head of the educational institution fails or neglects to act in the manner specified in section "d" above when a complaint of ragging is made, such person shall be deemed to have abetted the offence and shall, on conviction, be punished as provided for in section "b" above. Any Acts or its amendments which may be published from time to time by AICTE Government or Judgments by the Hon. Supreme Court of India, The Hon. High Court of Bombay etc will be applicable to candidate and institution covered under these rules of Admission.

SCHOOL OF ENGINEERING & TECHNOLOGY

DTE Code
EN3439

Eligibility Criteria for admission to First Year Bachelor of Engineering (B.E.)

Eligibility Criteria for Maharashtra State Candidature Candidates & All India Candidature Candidates, Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant Candidature Candidates.

- (i) The Candidate should be an Indian National;
- (ii) Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical Vocational subject or Computer Science or Information Technology or Informatics Practices or Agriculture or Engineering Graphics or Business Studies and obtained atleast 45 % marks (at least 40 % marks, in case of Backward Class categories, Economically Weaker Section and Persons with Disability category candidates belonging to Maharashtra State), in the above subjects taken together;

AND

The Candidate should have appeared in all the subjects in CET and should obtain non zero score in CET conducted by the Competent Authority or should obtain non zero positive score in JEE (Main).

OR

- (ii) Passed Diploma in Engineering and Technology and obtained at least 45 % marks (at least 40 % marks, in case of Backward Class categories, Economically Weaker Section and Persons with Disability category candidates belonging to Maharashtra State);

Eligibility Criteria for admission to Direct Second Year Bachelor of Engineering (B.E.)

Eligibility Criteria for Maharashtra State Candidature Candidates & All India Candidature

- (i) The Candidate should be an Indian National;
- (ii) Passed minimum three years or two years (Lateral Entry) Diploma Course in Engineering and Technology with at least 45% marks (40% marks in case of Candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State) in any branch of Engineering and Technology from an All India Council for Technical Education or Central or State Government approved Institution or its equivalent;

OR

- (ii) Passed B.Sc. Degree from a University Grants Commission (UGC) or Association of Indian Universities recognized University with at least 45% marks (40% in case of candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State) and passed HSC or its equivalent examination with Mathematics as a subject;

OR

- (ii) Passed D.Voc. Stream in the same or allied sector (refer Schedule III);

- (iii) Any other criterion declared from time to time by the appropriate authority as defined under the Act.

Eligibility Criteria for admission to Master of Engineering (M.E.)

Eligibility Criteria for Maharashtra State Candidature Candidates & All India Candidature

- (i) The Candidate should be an Indian National;
- (ii) Passed Bachelor Degree in the relevant field of Engineering and Technology or Pharmacy from All India Council for Technical Education or Central or State Government approved institutions or equivalent, with at least 50% marks (at least 45% marks in case of candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State);
- (iii) Passed Bachelor Degree in the relevant course of Engineering and Technology or Pharmacy as specified in the eligibility criteria for admission to a Post Graduate Degree course of the concerned University for which admission is being sought;
- (iv) Obtained Qualified score in Graduates Aptitude Test in Engineering (GATE) conducted by the Indian Institute of Technology and valid for the current academic year;

OR

- (iv) Obtained non-Qualified marks in Graduates Aptitude Test in Engineering (GATE) conducted by the Indian Institute of Technology for the current academic year;

OR

- (iv) Obtained Qualified score in Graduates Pharmacy Aptitude Test (GPAT) conducted by National Testing Agency and valid for the current academic year;

OR

- (iv) Obtained non-Qualified marks in Graduates Pharmacy Aptitude Test (GPAT) conducted by National Testing Agency for the current academic year;

OR

- (iv) For sponsored candidates, minimum of two years of full time work experience in a registered firm/company/ industry/ educational and/ or research institute/ any Government Department or Government Autonomous Organization in the relevant field in which admission is being sought;
- (v) GATE or GPAT Qualified Candidates shall have preference over the not qualified Candidates.

Eligibility Criteria for admission to B.Sc-Information Technology

Passed H.S.C with Mathematics & Statistics as one of the subject with 45% marks (at least 40% marks for reserved category) in aggregate.

Please Note: Eligibility Criteria of Admission to all Courses may change as per DTE norms

Documents to be submitted

All Candidates:

1. SSC (Std. X) Mark sheet and Passing Certificate
2. HSC (Std. XII) / Diploma Mark sheet (all years)
3. Leaving Certificate after passing HSC (Std. XII) / Diploma
4. MHT-CET/JEE-MAIN PAPER 1 Mark sheet
5. Domicile Certificate
6. Nationality Certificate/Proof
7. Aadhar Card
8. Pan Card
9. GAP Certificate (if applicable)
10. University Transfer Certificate (if applicable)

Minority Candidates:

1. Minority Declaration Affidavit

Reserved Category Candidates:

1. Caste certificate
2. Caste validity certificate
3. Non-creamy layer certificate (except SC/ST)

EBC Candidates

1. Income Certificate

OMS & Diploma Candidates

1. Provisional Eligibility Certificate
2. Migration Certificate (only for OMS Student)
